

BASE-MERIT PRIORITY COURSES TO BE OFFERED FOR
SY. 2025

1. BS Aerospace/Aeronautical Engineering
 2. BS Agricultural and Biosystems Engineering
 3. BS Agricultural Chemistry
 4. BS Applied Mathematics major in Mathematical Finance*
 5. BS Applied Physics with Applied Computer System*
 6. BS Applied Physics with Materials Science and Engineering*
 7. BS Statistics/BS Applied Statistics
 8. BS Architecture
 9. BS Astronomy
 10. BS Astronomy Technology
 11. BS Biochemistry
 12. BS Biological Engineering/Biomedical Engineering
 13. BS Biotechnology*
 14. BS Ceramics Engineering
 15. BS Chemical Engineering
 16. BS Chemical Process Technology*
 17. BS Chemistry
 18. BS Chemistry Major in Business*
 19. BS Chemistry with Applied Computer Systems
 20. BS Chemistry with Materials Science and Engineering*
 21. BS Cyber Security*
 22. BS Data Science
 23. BS Electronics and Communication Engineering
 24. BS Electromechanical Technology
 25. BS Energy Systems and Management
 26. BS Environmental Engineering
 27. BS Food Science and Technology
 28. BS Food Technology
 29. BS Forensic Sciences*
 30. BS Geodetic Engineering
 31. BS Geography
 32. BS Geology
 33. BS Geothermal Engineering
 34. BS Health Sciences
 35. BS Human Biology*
 36. BS Industrial Engineering
 37. BS Industrial Management Engineering-Information Technology*
 38. BS Industrial Pharmacy
 39. BS Instrumentation and Control Engineering
 40. BS Life Sciences
 41. BS Management Information Systems*
 42. BS Manufacturing Engineering/Management-Biomedical Engineering*
 43. BS Manufacturing Engineering-Management w/ specialization in Mechatronics and Robotics Engineering*
 44. BS Marine / Maritime Engineering
 45. BS Marine Science
 46. BS Materials Engineering
 47. BS Mechanical Engineering/Technology
 48. BS Mechanical Engineering major in Mechatronics
 49. BS Mechatronics & Robotics Engineering*
 50. BS Medical Sciences
 51. BS Metallurgical Engineering
 52. BS Meteorology
 53. BS Mining Engineering
 54. BS Molecular Biology and Biotechnology
 55. BS Naval Architecture and Marine Engineering
 56. BS Neuroscience*
 57. BS Nutrition & Dietetics
 58. BS Packaging Engineering
 59. BS Petroleum Engineering
 60. BS Pharmacy major in Clinical Pharmacy (5-year program)
 61. BS Physical Therapy
 62. BS Pre-med Physics
 63. BS Prosthetics and Orthotics
 64. BS Public Health
 65. BSED Major in Chemistry
 66. BSED Biology-Chemistry*
 67. BSED Physics-Chemistry*
 68. Doctor of Veterinary Medicine
